## Detailed agenda

### Session 1: The making of FLOW (60 minutes)

- **The FLOW story: from ambition to reality** – What was the project about, the challenges addressed, what makes it different – Josh Eichman, IREC (15 minutes)
- **Policy, planning and regulation landscape in FLOW** – Explain the landscape for FLOW when it started and how it changed during the project – Filippo Colzi, RSE (15 minutes)
- **From Concept to Reality** – Use cases in testbeds and large-scale demonstrations – Danila Cumbo, Enel (15 minutes)
- **Strategic highlights** – High-level summary of findings and outcomes – Josh Eichman, IREC (5 minutes)
- Questions (10 minutes)

### Coffee Break (15 minutes)

### Session 2: Making it happen (90 minutes)

- **Moving the needle** – Innovations and lessons learned in FLOW Demos & Testbeds – Enel/ IREC (50 minutes)
  - Testbeds (Sergio Orlando, EATON, Fabiano Pallonetto, NUIM) [10 min]
  - Rome Demonstration (Davide de Michino, ENEL) [10 min]
  - Menorca Demonstration (Carlos Gaitan Poyatos, E-Distribución) [10 min]
  - Copenhagen Demonstration (Mattia Secchi, DTU) [10 min]
  - Results and outcomes discussion (Josh Eichman, IREC) [10 min]
- **Delivering User-centric Services** – User acceptance of FLOW solutions – Bettina Kämpfe, TUC (15 minutes)
- **Involvement and collaboration** – Presenting the dissemination and outreach as well as the collaboration with cluster projects and involvement with other stakeholders – Laura Perez and Alberto Danese, R2M (10 minutes)
  - **BRIDGE, V2X cluster, Workshops**
- **Panel Discussion and Questions** – (15 minutes)

### BREAK (15 minutes)

### Session 3 – The way forward (60 minutes)

- **EV Flexibility policy framework discussion** – Filippo Colzi, RSE, Laia Guitart, E.DSO, Görkem Türer, E-Mobility Europe (25 minutes)
- **Making the most of FLOW** – Exploitation: Replicability and Scalability – Alberto Danese, R2M (15 minutes)
- **Panel discussion and questions** – (20 minutes)

### Concluding remarks (10 minutes)

## MEETING Practicalities:

### Onsite

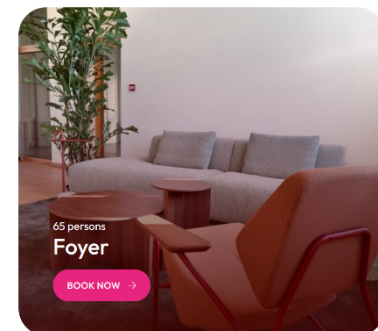

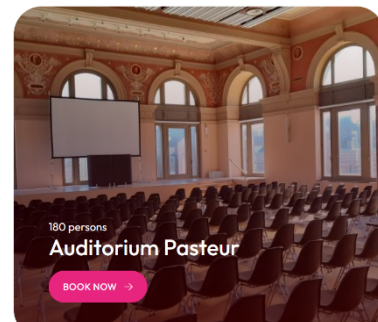

-  Brussels ([The Faculty](#) – Auditorium Pasteur)
-  17 10 June 2026
-  Afternoon session (14:30 – 18:30 CET)
-  Location details: The Faculty, Rue des Vétérinaires 47, 1070 Anderlecht, Belgium (Next to Brussels Midi Station, ~30 minutes by public transport from EUSEW venues).

The event will be organised in **hybrid format** (in-person + online).

### Finding the Faculty:

“The Faculty” (map) is a 7-minute walk from the Brussels Midi metro stop.

We have reserved the Auditorium Pasteur for the event and the Foyer for the networking lunch and breaks.

If you are attending the European Sustainable Energy Week (EUSEW), that event will occur in the Charlemagne building and the Hotel NH Berlaymont. They are around 30 minutes from “The Faculty” and there are several different ways to arrive (directions).
